Start here: confirm your hours on Google (fix #1 below). 2 minutes. Then paste the rest when you have 10 minutes.

Your starting AI visibility score

On Oct 28, 2026 we asked ChatGPT and Gemini one question a Millbrook customer would ask. Neither one named you.

This first check is 1 question (2 answers). Your full baseline uses 3 questions, and we re-check every week.

What a customer asks	ChatGPT	Gemini
“Who are the best plumbers in Millbrook, AR?”	Not named	Not named

Who AI recommends instead of you

- **Summit Plumbing & Drain** — ChatGPT #1
- **Clearwater Plumbing** — ChatGPT #2
- **Hartley Heating & Plumbing** — ChatGPT #3
- **Ace Pipe Co.** — ChatGPT #4
- **Northside Plumbing** — Gemini
- **Delta Plumbing** — Gemini
- **Keystone Plumbing** — Gemini

Goal: get **Riverbend Plumbing Co.** on this list for both tools.

ChatGPT on its #1 pick, word for word: "Strong local review volume and a 4.9 rating; reviewers specifically mention good customer service and water-heater installs."

Your Google profile fixes

About 10 minutes, all from your phone. Do the 3 marked DO FIRST today.

DO FIRST

1. Hours

Where: Google Maps > your business > Edit profile > Hours

Your listings disagree: Birdeye says 24/7, MapQuest says Mon–Fri 7–4. Pick the one that's true.

If you answer emergency calls: set Monday–Friday 7:00 AM – 4:00 PM. Then tap More hours > Add > pick "Emergency" if it's listed and set it to Open 24 hours. Not listed? Skip it — your description and Q&A will say it.

If you don't: Monday–Friday 7:00 AM – 4:00 PM, Saturday and Sunday Closed.

DO FIRST

2. Categories

Where: Edit profile > Business information > Business category

Primary category: Plumber

Add as additional (each one only if it shows up when you type it):
Drainage service
Water heater installation service
Gas installation service
Emergency plumber (only if you take after-hours calls)

3. Description (575 characters)

Where: Edit profile > Business information > Description

Riverbend Plumbing Co. is a local plumber at 118 Main St in Millbrook, Arkansas, serving homes and businesses since 2021. We handle plumbing repairs, leak detection, drain and main sewer line clearing, hydro jetting, line locating, gas line installation and repair, fixture and faucet installs, remodel plumbing, and water heater repair and replacement. If your main line backs up, a pipe starts leaking or your water heater quits, call us and a local plumber will come take a look. We work on houses and commercial buildings in Millbrook, Oak Hill, Danville, Pine Ridge and Stanton.

Q: Do you work on businesses as well as homes?
A: Yes. We do residential and commercial plumbing.

Q: What are your hours?
A: Office hours are Monday to Friday, 7 am to 4 pm. [Emergency line: call (555) 010-2200 anytime — delete if not.]

6. 10 photo ideas (add 2 a week)

1. Your truck parked out front of 118 Main St with the shop sign showing.
2. You or your crew next to the truck, smiling, in work clothes.
3. A new water heater you just installed, before the closet door shuts.
4. Before and after of a cleaned-out drain or sewer cleanout.
5. The jetter hooked up and running at a job (no customer house numbers).
6. A camera or locator screen showing a line you found.
7. A finished faucet or toilet install, wiped clean, good light.
8. A remodel bathroom with the rough-in plumbing done.
9. Your tools laid out neat on a tailgate.
10. A commercial job in Millbrook (ask the owner first, no signs if they say no).
